

# Project Mycelium Contributor Agreement

## Contributor Agreement

This Contributor Agreement ("Agreement") is entered into on \_\_\_\_\_ (the "Effective Date") by and between the individual signing below ("Contributor") and the founder of Project Mycelium ("Founder").

### 1. PURPOSE

The purpose of this Agreement is to set forth the terms and conditions under which the Contributor contributes to the development of Project Mycelium.

### 2. OWNERSHIP & RIGHTS

All contributions are subject to the licensing terms set forth by the project and are incorporated under a shared ownership model.

### 3. PROFIT SHARING

Revenue or profit generated by Project Mycelium will be distributed as follows:

- 40% to the Founder
- 50% collectively to all active Contributors, distributed proportionally based on contributions (e.g., code commits, tasks completed)
- 10% to the Project Treasury for reinvestment, tooling, and operational needs

### 4. CONTRIBUTION RECORDS

Contributions will be tracked using version control commit history, task boards, or other collaborative tracking tools used by the Project Mycelium team.

### 5. MODIFICATION

This Agreement may be modified only in writing and must be signed by both the Contributor and the Founder.

### 6. ACKNOWLEDGEMENT

By signing below, the Contributor acknowledges and agrees to the terms of this Agreement.
